Selectmen's Work Session June 21, 2011

The Board of Selectmen held a meeting on Tuesday June 21, 2011, at the Dalton Municipal Building, Dalton, NH.
PRESENT: Chairman Crosby, Selectman St.Cyr, Selectman Hardy
Chairman Crosby - Horizons, Bob Wentworth and myself met to discuss a culvert inventory and permitting. Some undersized culverts will need to be replaced. We need to put together a long range and short term plan and keep the public informed what we are doing.
Selectman St.Cyr - Bob Wentworth should be the one to put the plan together and decide what is most important and take care of them first. Bob knows which culverts are causing trouble.
Chairman Crosby - The Board needs to take over managing this building. People have been complaining that things are not getting done. There needs to be a vendor list so if there is a problem it can be taken care of right away.
Chairman Crosby - The Board needs to be using the assignment journal again and we need to finish the policies and procedures book.
Chairman Crosby - We need to appoint an emergency management director. John Tholl will help in the interim. We also need to see who has had NIMS training. Chief Sheltry should be able to tell us who has had the training on the fire department. He will be moving to this building right away. We will move the EOC into the Selectmen's meeting room. This room worked well when we worked on the Memorial Day storms.
Selectman Hardy - We might have to give a stipend to the Emergency Management Director.
Chairman Crosby - John Letson should be reappointed to the Planning Board and we don't need to interview him.
Motion: *by Selectman St.Cyr to have John Letson be reappointed.*
Second: *by Selectman Hardy*
Vote: *2-0-Selectman Hardy present*
Chairman Crosby - Ron Bolt, Selectman from Littleton, called and offered to help the town after reading the storm damage report in the Caledonia.
Chairman Crosby - The State is short in dollar amounts for receiving money for storm damage. We should check to see if John Tholl is going to re-submit.
Motion - *by Selectman Hardy to go into executive session.*
Second - *by Chairman Crosby*
Vote - *2-0-0*
Selectmen - returned to regular session and adjourned.
