Concerns about John's River

Do we want to send letter of concern to DES and SEC?

Motion made and seconded to send letter to DES and SEC

- Voted – all agreed
- water shed – water quality is better now
- floods most years
- river banks – how will they be stabilized?
- Chemicals spray – what? How often? Effects on river?
- John's river flows directly into the Connecticut river
- Has delineation been done? By who? When? What season?
- There are no flags – does report show flags
- We would like copy
- Plans for current poles: # of poles effected
- impact on river
- ask Larry Rexford to check old records for height requirement limits

Motion made and seconded to nominate Ed Craxton as town of Dalton intervenor

- voted – all agreed
- Ed accepted
- Nancy and Ed will work on letter together will have ready for next meeting

SEC's deadline for letter is December 18, 2015

Motion made and seconded to change December's meeting date from December 15, 2015 to December 8, 2015

Vote taken all agreed

Will post meeting change at town office

Next meeting will held on Tuesday December 8, 2015 at 6:30pm in the meeting room.

Meeting adjourned at 4:25pm
