

The Board of Selectmen held a meeting on Tuesday Feb. 21, 2012 at the Dalton Municipal Building, Dalton, NH.

PRESENT: Selectman St.Cyr, Selectman Whittum and Chairman Crosby (on speaker phone)

Motion - *by Selectman St.Cyr to accept the minutes for Feb. 14, 2012 as posted*

Second - *by Selectman Whittum*

Vote - 3-0-0

Bob Wentworth - DOT sent us a bridge deficiency for the Hurlburt Rd.

Selectman St.Cyr - We will write them a letter and let them know we are going to try and change the road to a Class VI road subject to gates and bars.

Bob Wentworth - The dealers on the loader have a deadline of 2/27 for bids. Three business cards from the loader dealers were presented to the Board. Bids will be ready for the hearing on the 28th.

Selectmen and the Road Agent - Discussed the pros and cons on buying a trailer for our large equipment.

Bob Wentworth - We have used a lot of salt and sand this season. Mark Lufkin took another load of tires for us.

Roger Hutchins - Ridgeview Terrace Rd is in very bad condition. It is a private road and I know the town isn't responsible but I felt it should be brought to the town's attention. If an ambulance or fire truck have to go into the park it could be very dangerous. A few years ago the town sent a letter to the owner of the park about the road condition and she ignored it.

Selectman St.Cyr - The planning board could look at the plans and regulations and see if there is anything that can be done. Maybe in the spring we could have the Fire Chief look at it.

Thank you for informing us of this situation.

Chief Audit - Presented the weekly log to the Board. Marcel Platt is here to help me on the computer. We are working with Groveton on crime issues.

Selectman St.Cyr - We appreciate Marcel coming in and helping and we will do a thank you letter.

Sandy York - The hearing for the bond issue is scheduled for 5:30 on the 28th. I spoke with Capital Alarm and they want an addition \$1,200 to do the back door.

Motion: *by Selectman St.Cyr to revisit the key pass issue after town meeting.*

Second: *by Selectman Whittum*

Vote: 3-0-0

Selectmen - Discussed brownfields and will have North Country Council come in to speak to the Board after town meeting. We have to make sure there is no burden put on property owners.

Motion: *by Selectman St.Cyr to go into executive session to discuss a personnel issue and seal those minutes.*

Second: *by Selectman Whittum*

Vote: 3-0-0

Selectmen - returned to regular session and motioned, seconded and voted to adjourn.
