

Special Select Board Meeting

May 15, 2012

Meeting opened at 4:00 pm

Present: Chairman St.Cyr, Select Board Member Whittum, Select Board Member Simonds and Robert Blanchette

Meeting was about the dump

Robert Blanchette - feels the fence is not as important as other issues like the demo. There should be a slab under the bag container, a slab under the demo and a slab under the metal. He talked about the demo and the liability and danger at the dump.

Select Board Member Whittum - talked about the dump

Robert Blanchette - wants other items at the dump - haz mat, etc. He also brought a list of to do

Select Board Member Whittum- Robert Blanchette needs to get stuff started for other things.

Robert Blanchette - Liability is an issue with the dump

Chairman St.Cyr - recommend how many things you want to do this year. We will go to the Conservation Commission to ask for money for a fence - the dump needs to be secured

Robert Blanchette - please recycle

Chairman St.Cyr - Make plans to recycle do it in steps. Suggest someone talk to PSNH about poles to start building.

Select Board - Robert Blanchette should work on a prices for slabs or alternative solutions. The dump need to do better reports.

Select Board - Wants a copy of the rules and regulations of the transfer.

Meeting ended at 4:45 pm
