

# Dalton Select Board Meeting

Minutes of June 19, 2017

Present were Selectmen: Nancy McVetty, Jay McCusker

Called to order 6:35 PM

Previous meeting minutes were read.

Jay McCusker made a motion to accept minutes as written. Nancy seconded. Approved 2-0

Ron Sheltry presented a report of all the work done to the 2012 Ford Expedition Rescue unit. He also had a sample of sign material that he had gotten from The Sign Depot. Ron thought it might be worth looking into in regards to replacing some signs in town for the Fire Department, Highway Garage and Municipal Building. Jessie will call The Sign Depot to inquire about someone coming to look and give us a price to do that. We still have not heard from SDI out of Jefferson. They had come and looked and were going to get us a price but thus far have not done so.

Jessie was made aware by Cathy Fountain via email that in the minutes of May 22, 2017 she had mistakenly reported that the "library" had turned in the MS 9 and MS 10. It was actually done by Cathy on behalf of the Trustees of the Trust Fund. Duly noted and corrected.

We were notified that our Flygt pump was all repaired. Jessie had made contact with AAA to see if the pump might hitch a ride to the North Country. Jason notified her that he would be coming north on June 20, 2017 and our Flygt pump would be taking the road trip with him. Bob will meet him at Pump House on the 20<sup>th</sup> for drop off.

The Board read a letter from Sansoucy's office reiterating the court's decision regarding PSNH and that he is standing by his assessment values.

Jay spoke of a bill that may pass soon that will give more Highway Block Grant money to towns. If/When that happens it will at that time be discussed how to use the money and what procedures may or may not need to take place.

There will be no meeting on July 3, 2017 due to the holiday.

Meeting was adjourned at 7:10 PM

Next meeting July 17, 2017

Respectfully submitted,
