Jessie Wentworth was at the meeting to discuss the property that is pending deed to the Town for delinquent taxes. Jessie will hold the list until September in case additional payments are received and prepare the deeds for acceptance or refusal.

Crane and Bell has sent a proposal regarding security measures that they are recommending to their clients. For a fee, they will meet with the Board and discuss changes that might be needed. The Board opted to pass on this service for now.

There is a water issue at the Old Town Hall. The basement where the old town offices were is flooded. An attempt will be made to determine the cause of the water and see if the problem can be solved internally without involving the Town insurance. Friends of the Old Town Hall are working on the problem and the Select Board will stop after the meeting to assess the damages and needs.
