Kitchen sink update. Nancy has spoken with Jason Sterling several times. The State has said the Town can't put in a dry well; the repair will have to be piped directly into the septic. No decision will be made until an estimate is received. Nothing will be done until after the holiday. The building was used 15 times this year, only four were for Town business. Nancy will ask Jason to come to a Board meeting after the first of the year to discuss options.

Jessie Wentworth reported that the tax bill address needs to be changed for Larry Rexford.

Jay McCusker had the letter from the Conservation Commission regarding intervener status for the Town which will be added to the official record. The letter was signed by the Board.

The forester will be contacting Jenn Barton directly to discuss the Town cut.

John Tholl reported that he will be checking on a complaint of trash dumping.

Linda Greenwood mentioned that the Town signs are in need of repair and painting. She asked if a warrant article is needed to take care of this. No article is needed; it will be part of the maintenance budget.
