Officer Alba - There was a motor vehicle accident and we have an open investigation.

Bruce Walsh - I have issued another abatement to Jennifer Stonecipher for her dog relating from a complaint received. We have pictures with her dog getting in someone's garbage.

Selectman St.Cyr - Is she aware that we have a leash law. She did say that you didn't know it was her dog.

Bruce Walsh - Yes. Her dog was in the road and went after my vehicle and know it was her dog. I gave her a warning and she ignored the warning so we issued an abatement.

Selectman Hardy - do you have the authority to pick up any dog.

Bruce Walsh - Yes

Selectman - will send a letter to Jennifer Stonecipher letting her know they have reviewed this situation with the dog officer and find he is doing his job properly.

Selectman Hardy - She also complained the police department did not respond to her report of a stolen bike.

Ann Craxton - Jeff Woodburn resigned and I will work the town election. There are only 12 articles and no contests in the election. It should be an easy meeting.

Selectman St.Cyr - Felt Ann Craxton did a good job last year and thanked her for doing this election.

Selectman Hardy - The Supervisors of the Checklist did not show up at the deliberative session for the school district until after the meeting started. Cathy Fountain came late. We wrote names down until she showed up. One person was not on the checklist but she took care of it.

Selectman St.Cyr - We will be passing information out about a new grader at town meeting

Selectman Hardy - Jeff Woodburn did a good job but he had to move on we should send him a thank you letter.

Selectmen - motioned, seconded and voted to send Mr. Woodburn a thank you letter.

Selectmen - motioned, seconded and voted to adjourn.
