

Dalton Conservation Commission
Meeting Minutes for April 16th 2019

Meeting was opened at 6:35 PM

Present Members for the Meeting were:

Douglas Ingerson Jr, Vanessa Hines, Christine Rouillard, David Spreadbury, Julia Simons.

Reviewed Last Month's Meetings:

Christine said that the VRAP training is being held on May 4th. The rain/snow makeup day will be held on May 11th with the same times. She is going to ask if it is possible to have this training on a different day for anyone that wanted to attend, where our annual Green Day May 4th.

Clean up day is being held on May 4th. Our roadside cleaning will begin at 9am where we will be meeting at the Town Hall Building in Dalton. The Cleanup day is as follows:

9-9:30am Meet at the Town Hall Building. There will be donuts and coffee provided.

9:30-11:30am Clean up! Water will be provided as well as gloves and trash bags. Please wear bright clothes so you may be seen.

11:30-12:30 We will meet back at the Town Hall. There will be sandwiches and water provided and popsicles as well. We are planning on cleaning up from Rt 142 to Rt 135. From the train bridge to the top of the hill store. If anyone who would like to join us has any suggestions please feel free to let us know.

Mail:

The committee received a letter from the University of Nh Cooperative Extension. This is at the Town Hall building and available to the public for viewing.

NH Association of Conservation Commission letter to restore permit by notification and expedited permits.

New Business: Pam resigned March 20th. We discussed and excepted her resignation.

Next Meeting is May 21st @ 6:30 pm.

Meeting adjourned at 7:20 pm.
