The Board accepted the application from James Strickland for a subdivision. There was no abutter present for the hearing. After reviewing the application and plans the Board approved the subdivision.

Mark VanderHayden presented the lot line plans and application for Fawn Road Associates. The Board accepted the application and after reviewing the application and plans approved the lot line adjustment. There was no abutter present for the hearing but Mr Hutnak did call the Chairman just for clarification of what the hearing was for. He had no objections.

Linda was not present for the meeting and her term is up this year. The Board requested the secretary send her a letter asking what her plans for the position were and to let her know that Nancy McVetty is interested if Linda no longer is.

Bill made the suggestion the Planning Board begin to use a slogan when updating the Master Plan. The initial suggestion is "Dalton - A town where nice people live". The Board liked this idea and will probably incorporate this into the Master Plan design.
