

# **Dalton Planning Board**

## **Minutes of 11/07/07**

**Present:** Sandy York, John Letson, Nancy McVetty, Bill Howe and Brian Hardy

Meeting called to order at 6:58 pm

Motion was made, seconded, and approved to accept the minutes as presented with 3 minor typo fixes.

Alan Astle received approval from DES for the subdivision but has not informed the town he has finished the road. This will still be held on contingent approval.

Donald & Nancy Mooney and their representative, Gardner Kellogg, presented the board with a proposed Boundry Line Adjustment. The last time this was approached the board asked LGC's opinion. They recommended a subdivision and merger instead of a boundry line adjustment. Gardner will have this ready for next month. At that time they would like to have their hearing. A merger form needs to be mailed to Gardner for proper signatures.

Doug Ingerson of JW Chipping brought in his mylar for signature. He offered a copy of the latest set of maps sent to and approved by the State. He also brought in a check for the recording of the mylars.

Meeting adjourned at 7:45 pm.

Next meeting will be held at the Dalton Town Hall on December 5, 2007 at 7:00 pm.
