

Dalton Select Board Meeting Minutes of January 2, 2017

Present were Selectmen: Nancy McVetty and Jay McCusker

Called to order: 6:30 pm

Minutes for December 19, 2016 meeting were read. Nancy moved to accept the minutes as written Jay seconded the motion. Approved 2-0.

There was a discussion about abating the back taxes on a mobile home owned by a man who has been deceased for years. The board has waived the deed for this mobile home for several years and the tax collector would like to see this uncollectable taxes off the books. The board agreed to the abatement.

The board signed a yield tax warrant and several abatements.

Ron Sheltry came to speak about gear he has ordered for 2 men who took firefighting courses but have no gear that fits properly.

Ron also discussed the purchase of a refurbished heart machine. He asked the board to approve the approximate cost of \$5000.00 be taken from the Fire Department Capital Reserve account .

Jay made a motion to take the money to pay for the heart machine from Capital Reserve. Nancy seconded. Approved 2-0.

Jessie noted that the property deeded in 2016 was notarized and sent to the registry as well as given to Gary Fournier to be removed from the tax roster.

A short discussion was held about several budget lines that are showing at years end that we may have appropriated too little. It was agreed to raise the assessing line and the solid waste line to accurately reflect what we expect to pay in 2017.

The meeting was adjourned at 7 PM

Also noted is that the next Hazard Mitigation meeting will be held on January 11, 2017 at 6 PM

Next Meeting January 16, 2017 Annual Budget Hearing at 6 PM
