PRESENT: Chairman Crosby, Selectman St.Cyr, Selectman Hardy

**Pledge**

**1. Meeting Minutes**

**Motion:** *by Selectman St.Cyr to accept the minutes as posted.*

**Second:** *by Chairman Crosby*

**Vote:** *2-0-present*

**2. Chairman's Comments:**

Chairman Crosby - The safety committee requested the door to the tax collector's office be locked at all times.

**2. Officers reports:**

Sandy York - Terri Parks had a request to bury the ashes of the family dog on the plot where the owner is buried. Terri has no problem with that.

Selectman St.Cyr - There might be people who would be offended by that. Have her check into what other towns do. We will take it under advisement.

Sandy York - Are we going to put the cemeteries and this building out for bid? Bob would also like to add the mowing across the street to that.

Selectman Hardy - Aren't the Friends responsible for the building across the street.

Selectmen - We will put everything out to bid.

Selectmen - reviewed a tax deferral and will request the financials before making any decisions.

John Tholl - The office is being redone and the entrance change as requested.

Chairman Crosby - We still have heating problems that need to be addressed. I spoke with Fitch Fuel and they said they would come and look at the problems.

Selectman St.Cyr - We should have Mr. Quigley come and talk to us first.

John Tholl - Will have Mr. Quigley come to a meeting.

Selectman Hardy - Will find out what he can about the Honeywell system at the next school board meeting.

John Tholl - We are preparing for the tazer class. We will get 2 instructors for \$25 instead of \$300. The dog officer is doing okay.

Selectman Hardy - presented some changes for the Time Warner agreement. There was no mention of the town working the police during any construction.

John Tholl - They should hire their own. They will not be taking up any road space to speak of.

**Motion:** *by Selectman St.Cyr to send the changes and questions to Melinda Poore so they can be corrected before the public hearing.*

**Second:** *by Chairman Crosby*

**Vote:** *3-0-0*

Selectman Hardy - Presented the Board with a draft ethics policy for review.

Selectmen - motioned, seconded and voted to adjourn.
