confirming that Tammy York-Letson of Cohos Advisors, who support the town’s accounting
and do many of the required state reports for them, would be available to assist them and
answer any questions. Tammy was at one time a Dalton Trustee of the Trust Funds. She would
also do, or assist them with, the MS9 report. Being reassured they reaffirmed their oath of
office by signing the new, correct, oath of office forms. They were also given a bank
information sheet to complete and take to the Passumpsic Bank where they will execute
signature cards.

The board continued to sign AP and PR checks with much discussion. The board is concerned
about going over budget as they are very close. The Avitar and Certified Computers checks
will be held and perhaps voided. There was discussion about the Cohos Advisors letter of engagement. A copy of last year’s engagement letter was obtained for them. The board would like to meet with them as they have questions and concerns.

The Temporary Administrative Assistant was directed to obtain information about the Milton Cat Lease for the Backhoe. There were questions about to which account this payment should be posted.

The Select Board signed: The $5,000 Warrant Article check for the Police Cruiser Trust Fund; a Current Use Application; and an Intent to Cut form.
