

Dalton Fire Rescue

756 Dalton Road Dalton, N.H. 03598
Emergency 911 Non-Emergency 837-2092

I would like to ensure the residents of Dalton that as Fire Chief, Health Officer and EMD I am communicating and working with state and local officials in response to the Covid-19 Virus. State and local agencies along with Emergency Services from Dalton continue to monitor this ongoing situation. The Selectboard is being updated as changes arise. There is no confirmed cases that we know of in Coos County at this time. A Regional Command Structure has been enacted to communicate and receive and offer assistance to local communities. The sharing of information and resources will benefit all communities.

I will do my best to update the residence of Dalton as this ongoing situation changes. Please understand this situation is at times changing hourly. Residents experiencing an emergency should call 911 as usual. Residents needing non life threatening assistance or residents with questions should call 616-6130.

Chief Ron Sheltry
Fire Chief, Health Officer and EMD
