- Kaela reviewed the updates to the Master Plan draft, based on Board comments.
- Steve will supply audio equipment for March 1st public hearing
- Public Hearing March 1st. Plan is to keep the Public Hearing open and continue it until March 8th
- Planning Board to meet March 2nd to review comments from March 1st meeting, Kaela will attend as well. Kaela to provide 1-2 day turn around of updates decided by the board on March 2nd so that the update can be posted by 3/6 in advance of the March 8th session.
- Scott K. said that he felt this process was rushed. It was explained that in light of the upcoming vote on the “abolish planning board” warrant article, we felt that it was important to complete what the town asked (and funded) us to accomplish. We have no way of knowing which way the vote will go and so there is no choice but to complete our Master Plan work prior to the 2023 Town Meeting

Meeting adjourned 8:43pm

Next meeting will be the public hearing on 3/1/23 7pm
